INTRODUCTION

The Junior Certificate (JC) syllabuses are designed as three-year courses for examination in Form 3. The syllabus assumes that the learners have been through a Secondary School Programme (Form 1 to 3) of Religious Education. The purpose of the Religious Education syllabus is that learners will have an understanding of the Christian beliefs, teachings, practices and influences on the lives of individuals and community; and be encouraged to adopt Christian values and behaviour.

JC syllabuses follow a general pattern. The main sections are:

- Aims
- Assessment Objectives
- Assessment
- Curriculum Content

AIMS

The aims of the syllabus are the same for all candidates. These are set out below and describe the educational purposes of a course in Religious Education for the JC Examination. They are not listed in order of priority.

JC Religious Education aims to:

1. Develop learners' knowledge of the life and teachings of Jesus
2. Develop an enquiring and critical approach to the study of biblical texts, the ideas they contain and the ways in which they may be interpreted
3. Empower learners to explore the religious, ethical and historical questions raised in the text studied
4. Enable learners to make an informed response to issues arising from the study
5. Develop a range of transferable skills which will support learners in their lives.

ASSESSMENT OBJECTIVES

Assessment Objectives in Religious Education are:
